

CLAUDIA BERROCAL

FRONT - END DEVELOPER

+34 662 088 417 || claudia.berrocalgomez@gmail.com

[claudia-berrocal](#)

[claudiabg-c](#)

Front-end developer with some knowledge of back. Proactive, multidisciplinary and with great attention to detail. I love challenges and I've always been a very curious person very eager to learn. That's why I also have some experience in the fields of law and education. But now it seems like I finally found a professional area I really enjoy.
